

About Your Bill

Facility Fee

Crystal Run Ambulatory Surgery Center of Middletown charges a facility fee. This includes charges for the operating room, recovery room, and other services and supplies provided during your stay. Physician services provided at the surgery center are not included in the facility fee and will be billed separately (see Professional Service Fees below).

Visit CrystalRunASC.com for a list of the health plans with which Crystal Run Ambulatory Surgery Center participates. If you have questions about whether we participate with your health plan, please contact our billing department at (845) 703-3800 or your insurance plan directly.

Professional Service Fees

Physicians who provide services at Crystal Run Ambulatory Surgery Center may or may not participate in the same health plans as the surgery center. In most cases Crystal Run Ambulatory Surgery Center participates with the same health plans as your Crystal Run Healthcare Physicians surgeon. Your insurer will receive a separate bill from Crystal Run Healthcare Physicians for your surgeon's fees as well as the assistant surgeon's fees, if one was used.

Contracted Providers

We contract with Northeastern Anesthesia Services to provide anesthesia. They will bill separately for their services. You may contact them to determine the health care plans with which they participate.

You also may receive laboratory or radiology services related to your surgery or procedure. In most cases these services will be provided by, and billed by, Crystal Run Healthcare Physicians LLP. You can ask your physician if he or she reasonably anticipates ancillary services will be provided by any non-Crystal Run Healthcare Physicians provider so that you can determine the health care plans with which they participate.

Crystal Run Ambulatory Surgery Center is affiliated with Orange Regional Medical Center. If you need to be admitted to the hospital, you will be transferred by ambulance to this facility.

Out of Network Patients: If Crystal Run Ambulatory Surgery Center does not participate with your insurance plan, prior to surgery, we will provide you with a written estimate of the facility charges based on the information provided by you and/or your physician. The estimate is not guaranteed and is subject to change based upon the actual services rendered.

The fees quoted are for Crystal Run Ambulatory Surgery Center only. Physician fees are not included. Physician fees will be billed to the patient separately. Physicians that you may receive a separate bill from could include the surgeon, assistant surgeon, anesthesiologist, pathologist, and radiologist.
